Village of Los Lunas Rail Runner Station Area Land Use Plan **PUBLIC MEETING**

In many regions across the nation, commuter rail stations are the heart of the community, offering a variety of businesses, housing, and public spaces. The Mid-Region Council of Governments (MRCOG) is starting a planning process to determine how Rail Runner stations can enhance local communities in New Mexico.

Join us for a meeting to discuss land use, transportation and other issues within a 1/2 mile radius from the Los Lunas Rail Runner station. Come share your thoughts about Los Lunas' future!
